Custom Design

FOR
Tile Walls & Floors , Granite, Stainless Steel, & Signs
Engineering Design Fabrication

With our CNC waterjet cutting systems, FusionTECH is able to accurately cut large ovals, circles, logos, inlaid fancy designs and intricate borders. Applications include components for architectural trim and window systems, custom designs in vinyl, stone, and marble flooring and wall coverings, and sign letters in marble, glass, steel, aluminum, brass, and plastics, as well as a variety of finishes such as mirrored, satin, brushed, natural, and polished

Our complete machine shop and custom fabrication services allow us to provide our clients with a turn-key solution and quick turnaround. We are experienced with a variety of materials, including:

- Acrylic
- Aluminum
- Stainless Steel
- Brass
- Bronze
- Carpet
- Fibreglass
- Foam
- Gatorboard
- Granite
- Laminates
- Marble
- Nylon
- Octolux
- Sintra
- UHMW
- Vinyl
- VCT Tile
